

Morgan James

“...A phenomenal talent whose feel for classic soul music is bone deep...This woman is on fire...”

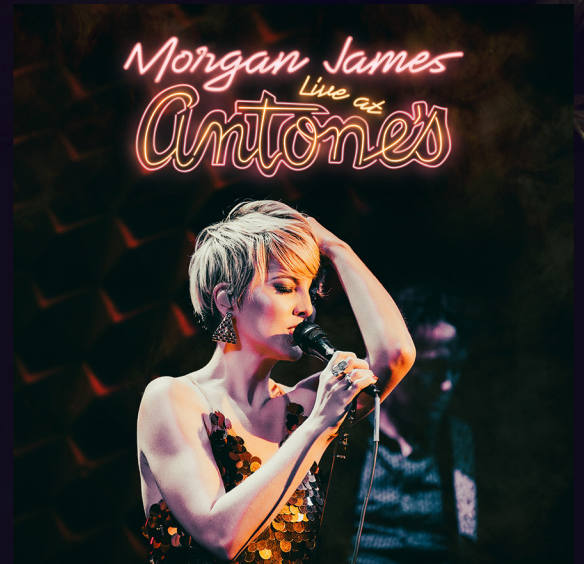

– Stephen Holden **The New York Times**

“...the most promising young vocalist to come along so far this century.”

– Terry Teachout **THE WALL STREET JOURNAL**

Soul singer, songwriter and recording artist Morgan James' latest release is a thrilling album recorded live from legendary Antone's in Austin, Texas; capturing her electrifying live show with full band. The album features music from her latest album, “Nobody's Fool”, selections from all her other four studio albums, as well as covers of Stevie Wonder, Mariah Carey, and Prince. “Antone's has hosted the likes of Stevie Ray Vaughn, Fabulous Thunderbirds, Ray Charles, Willie Nelson—and to record an album in such an iconic venue is truly an honor”. – MJ

Morgan has cultivated a world of fans with her viral YouTube videos and albums, and has amassed more than 275 million views on YouTube, (and climbing). Over the last several years, James has built her own empire and established herself as a touring powerhouse, allowing her to create her albums and make every decision from the ground up.
